## MATTRESS

**KNITTED FABRIC;**  
Knitted fabric is a textile that results from knitting, the process of inter-looping of yarns or inter-meshing of loops.

**MATTRESS SIZES:** 140 X 200    150 X 200    160 X 200    180 X 200

### SPECIFICATIONS;

- 1- 7 zoned pocket springs
- 2- High density flexi foam
- 3- Pillow Top: High density soft foam
- 4- Knitted fabric
- 5- Anti-Bacterial
- 6- Orthopedic
- 7- Packed in rolls
- 8- Mattress Height: 30 cm

### POCKET SPRING ;

A pocket spring mattress contains individual springs which are sewn into their own pocket of fabric. A pocket spring mattress will typically have a higher spring count than other types of mattresses. Working independently from each other, each spring reacts only to the pressure applied to that area. This results in a greater level of personalised support and response for each person sleeping on the mattress.
